**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive internet provider because the primary provider in our area was outrageously expensive, particularly when I had no interest in adding a cable TV subscription along with my order to receive a "bundling discount".

I have no interest in spending my money on oversized monopolies who clearly have no commitment to customer service.

Why does the FCC want to support businesses who have a stranglehold on services instead of fostering competition?

Thank you for the steps you will take to ensure all Americans can choose a competitive provider.

Sincerely,

Katherine Hanway
