**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competitive choices for broadband and internet access. I have a fiber connection through a local provider (Sonic), and they were and still are the only option for fiber connection where I live. AT&T doesn't offer anything close to competitive with what I have from Sonic, and now, rather than build something competitive, AT&T wants to take away access Sonic already has, to stifle competition. This is unacceptable, and the FCC cannot allow this to occur.
