**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer and small business owner, as well as a telecommuter my internet access, speed and cost is already too high. I use the internet for a variety of things such as shopping, streaming television (I cannot get any tv over air where I live) and I cannot work without internet as I am a full time telecommuter.

Taking away competitive pricing and features will hurt everyone.
