**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Better broadband access is critical to my job. I often work from home and need faster and more affordable broadband. AT&T and Comcast have expensive and slow broadband in my area. There's only one local provider in my area that can offer fiber and a connection I need at a reasonable price.

We need more competition!
