**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I am currently connected to Sonic Fiber Internet and I'm very happy with it.

I am very much opposed to AT&T and their trade association, USTelecom, petitioning to take away access to critical unbundled network elements which will restrict other competitors for offering cheaper and better internet service.

I am opposed to price hikes that this petition will result to.
