**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My ISP is Sonic.net. I had Internet service with AT&T in the pass. They dont care much about what customers think. They charge high rates with low bandwidth & poor service. I switched to Sonic more than 2 years ago & I am very happy with their rates & services. Everybody needs high speed Internet nowadays in order to keep bandwidth hungry applications. Please DO NOT let big companies like AT&T take away the last mile access and keep the market competitive.

Sincerely.
