**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was a customer of one of the large conglomerates of telecommunications for years because of a serious lack of competition. I hated being a customer of Comcast but competition was never encouraged and they had a massive Monopoly over the market.

Internet is quickly becoming a utility, yet still being treated by the FCC as a luxury.

Encourage fair competition and deny at&t their attempt at monopolizing the market...again.
