**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition.

I live in an area with few ISP choices, so preserving competition is crucial to keeping prices manageable and maintaining widespread access to the internet.

Please don't make it even easier for big corporations to gouge everyday people. I don't need to explain how important broadband is to nearly every individual. No monopolies!
