**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The big providers of internet services, such as AT&T, have terrible customer relations, and their services will only get worse if they do not have effective competition. Small providers, like LMI, help keep the big providers honest. Please do not alter the rules to hurt competition.
