**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is what the economic system thrives on...so far the FCC
has managed to make decisions during my lifetime to limit competition and punish the consumer.
Local companies are what
make local economies thrive. It is one of the jobs of the FCC to ensure
both providers and consumers choice...

The decision to limit competition and reward large corporations economically is really disgusting.
I support local business and increased competition...and the FCC
ought to consider this as the ultimate priority.
