**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm writing to you to let you know how important it is to us, consumers, to have broadband competition. I used to have DSL service , but was able to transfer to fiber, because I was able to choose a small competitor who was willing to install the fiber and provide a competitive telephone service for an affordable price as well.

We need more competition, not less. We need better service, not less. This can only happen when there is a healthy competition ; more companies we can choose from.

Big telecom companies want less competition an more monopoly. Please keep are choices open for consumers.

Thank you!
