**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who gets their broadband coverage and phone service from a small independent provider. They have provided me with wonderful service for many, many years. I do not want to lose them because they are cut off from using the copper lines of AT&T or are charged an exorbitant fee to use them.

I do not want to have to use the services of one of the large national providers because the FCC does not provide a level playing field for smaller companies. Competition is the only thing that will keep prices down. If we are left with monopoly service what control will there be on prices.

Sincerely,

Albert Finn
