**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have Sonic as our telephone and internet fiber provider. We switched from AT&T to Sonic for several reasons. Sonic is more competitive in price than AT&T and Sonic provides a better service.

We are very concerned that a change in the rules from the FCC will result in less competition which necessarily will produce higher prices to the consumer and poorer service for the higher price. This is what we experienced before Sonic came to our neighborhood and we will experience it again if the FCC takes away access to unbundled network elements from providers such as Sonic.

Help us keep our high quality, low price, customer oriented provider.
