**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community that is serviced by a local broadband provider. Without them I would be reduced to using a service that would deprive my household of even streaming capabilities. This service is critical to my work and leisure. Also critical is the fact that they provide inexpensive telephone service.

I strongly urge you to take no action that will impair this service. Instead please act to encourage more competition in the I S P field so that prices can come down.
