**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I deliberately chose LMI as opposed to AT&T for my small business's office internet service, and Sonic.com for my home internet service. They offer internet services at prices that I can afford, with contract terms that I am agreeable to. I don't want to be forced to commit to a 2-year contract just for reasonable prices from AT&T. I am not interested in the cable TV services that come bundled with virtually any AT&T or Comcast package. I like that I can get exactly what I need and none of what I don't from LMI and Sonic. I appreciate that Sonic and LMI support net neutrality. I believe that choice and competition are vital to making a good product for consumers and for net neutrality.
