**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have Sonic and Fiber and was on Sonic DSL for many years. They service my residence and business and have been the best company I have even used. I had other carriers like Comcast and ATT which were so bad they were unusable. Without healthy competition the industry will be left with these horrible companies and their high prices and terrible service and support. I also use Sonic for phone and rely on their reliable service for my business where the other companies failed. The more providers the better, do not ruin this space!
