**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to have competitive providers for my internet service, especially fiber. I would like NO price hike threat under just one or two providers. Competitive providers are good for customers and healthy for the market and technological advancement. We are happy with our fiber service today and will like to keep our options open for the future.
