**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to maintain competition among internet provides to allow us consumers to chose our providers. We need to keep our broadband providers as an option to prevent larger AT&T or Comcast from monopolizing the internet industry. Thus losing our freedom of choice. With the loss of our ability to choose will negatively impact our financial ability to provide internet to everyone! It will become only a service for the rich!!!!

Please do not take away access to critical unbundled network elements, which takes away the consumers right to choose.

Thank you,

Grace Jeung
