**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As both an owner of a small business and a home user, Broadband has made a huge difference. I was previously connected with DSL and it caused enormous inefficiencies. Allowing broadband competition allowed new providers to offer faster speeds at lower prices. Competition makes the marketplace healthier and more robust for consumers.
