**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic provides the best service I've ever had from an ISP, and they're also the cheapest. It is completely against the spirit of the United States to prevent competition, and major ISPs like AT&T have no incentive to improve the lives of its customers when there is none. Sonic has revolutionized my internet experience and provided the service that major ISPs were given billions of dollars to provide but never did. Don't actively exclude wonderful competition.
