**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I provide for my family by working from home as a freelance filmmaker. Without low-cost fiber gigabit internet from Sonic, I couldn't share and transfer the huge video files I create every day. My business would be crippled. Because we live on the edge of town, the alternative companies like Comcast charge double or triple the price for a fraction of the speeds. Don't make it harder for my business to access the most affordable, fastest internet.
