**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Every large broadband provider I have ever done business with
gas provided terrible customer service and mediocre speed at a high price. My small provider,
Sonic, does a great job at a low price, and its important they be allowed to continue that good work.
