**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition because it is best for the people. In this day and age where internet connectivity is increasingly important we can't limit control over this resource to a monopoly. We need choices and affordable internet. Do the right thing for the people not for the lobbyist.

Thanks for listening,

Tim Hoang
