**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Fair competition amongst internet service providers provides an essential service to the market and to customers. This allowed me to get a fiber connection when I was previously limited to competitive DSL. My wife and I both work from home and we have two children whose school assignments require internet access.

We are grateful for our fiber connection.

Please do not take this away from other potential customers!
