**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We love Sonic, and we support Broadband competition.

Before Sonic, we had really slow DSL connection with AT&T and everything we watched would get cut off and streaming was just impossible.

One company cannot have a monopoly on our internet connectivity. I've cut most costs like cable tv, gym memberships, and such, but internet is a necessity. No ONE company should have a monopoly on such an important utility.
