**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

At my small business and my home I am using two different broadband providers. I chose them in part because I was fed up with the cost and poor service provided by AT&T.

I understand now that the big telecom providers are asking for deregulation so they can charge whatever they like to smaller broadband providers for access to and across their networks.

It is essential that competition in this area is allowed and indeed encouraged and I urge the FCC to keep this foremost in their deliberations.
