**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We consumers cannot afford any price hikes, the cost of living is already so high, many of us are barely hanging on. WE need more competition not less.

Broadband is critical to our household and business, without it we would have a difficult if not impossible time surviving in this very competitive world.
