**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value my local access network; I want such competitive companies to be available to balance the dominance of the internet giants. NO price hikes! I love my ability to WALK to my LAN office and talk to real human beings. I have NOT had such good experiences with AT&T or Sprint in terms of customer service!!! I want this local access, dealing with people I know who are available to me.

Thank you,

Andrea Safir
