**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had just moved into a new apartment, and research available ISP at the new address. The only fiber internet choice available was Sonic, and upon comparison to other research from my old apartment, their pricing was better than other large providers like ATT. The comparison was only a curiosity to ensure it was still a good deal, but I was mostly thrilled that there was a fiber option, which made the choice a no-brainer.
