

The internet is for everyone, people shouldn't be required to pay more money to use it at a decent speed. This is just a money trap from AT&T and Comcast. Don't we already pay enough for internet, cell phones, and cable? This new program they are starting would be completely unfair to so many Americans, especially those who are already struggling to make ends meet. Nowadays, the internet has become an essential part of everyday life, with most programs being computerized. A lot of people need the internet to do school work, file reports, and stay in touch with loved ones. Also as modern Americans, PEOPLE LIKE WATCHING STUFF AND BROWSING THE INTERNET, WHATS WRONG WITH THAT?? LIKE JESUS ITS ALMOST LIKE THE AMERICAN GOVERNMENT JUST WANTS TO MILK US DRY FOR ALL WE HAVE JUST TRY DOING SOMETHING NICE FOR ONCE AND BEING CHILL ABOUT INTERNET USE LIKE GODDAMN ALL YALL ARE LITERALLY THE WORST FIRST YALL ARE TRYING TO TAKE OUR HEALTH CARE AND NOW WE CANT EVEN USE WEBMD???? JUST LET A SISTA LIVE AND WATCH NETFLIX WITHOUT PAYING HELLA MONEY TO DO SO!!!! I GET IT NOBODY BUYS CABLE ANYORE BECAUSE WE HAVE NETFLIX AND HULU BUT YOU KNOW WHAT???? WHEN CABLE CAME AROUND IM SURE A LOT OF PEOPLE STOPPED BUYING BOOKS THATS JUST THE WAY TECHNOLOGY WORKS.....
