**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition.

Please keep local smaller companies with the ability to provide fiber internet service. I've been using Sonic internet and it's very good service.

Before this, I had DSL by an AT&T company and the service was worse. Now that there is competition in the market, rates are lower.

Competition is important. In San Francisco there are several options. I like having a choice and this keeps prices in check and service level higher.
