**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I depend on Sonic Internet for not only the entrainment of my family but for running my business. Their fiber internet service is amazing, the way they treat me as a customer is beyond excellent.

Reading that your decisions and ruling might affect their services and especially their ability to grow to make me very sad and also put me in troubles.

I used to have in the past ATT and Xfinity internet services and had to give up because their service was very unreliable, shrotcuts all the time, bad customer service. Since their a mega corporations little they care about customers. On the other hand this little companies need us to grow and they know if they screw it we will leave them, thats more of a balance type of relationship and a better offer for consumers.

Please dont take actions that hurt and affect Sonic Internet.

Thank you,

Ezequiel Karpf
