**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who is always on the look for the best prices for quality products and service. Consumers should retain the rights to choose which broadband companies to use. Fair competition makes companies earn customer loyalty by showing customers like myself we are paying top dollar for quality service . Not blaming the next guy or waiting and wondering why am I paying \$60 a month for service that isnt stable. Competitive telecom is a must ! Dont let giant companies monopolize the market and charge high prices while providing low quality service.
