**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My local, competitive internet service provider is my households best answer to our communications needs, allowing us to opt out of cable tv services and still get a landline and internet service at an affordable price in our home, saving us hundreds of dollars a year on what would be unwanted, required bundled services or a much higher monthly rate for these basic services. Please help maintain affordable household internet access for my family and others like us!
