**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I have fiber today because Sonic was able to provide a superior service at a competitive price. Removing this competition will stop this innovation and threaten my unencumbered access to the internet, which I consider a universal right which should not be monopolized by telecoms.
