**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition. We choose a competitive local internet provider Sonic and very happy having their service. This is a fiber cinnection that is much faster than DSL from AT&T we used to use previously. Sonic depends on AT&T unbundled service for some portion of ther connectivity. However AT&T threatens to cut their service or dramatically raise prices in order to wipe out competition.
Please help to curb AT&Ts unfair practice.
