**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support the continued ability for small companies to compete and be a part of the future of Internet service providers.

Living in rural America, this is particularly important. The small ISP have been instrumental in making high speed internet available to many of us. We are grateful to them and want to have the continued ability to support small companies.
