**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition in the broadband internet provider marketplace. California's economy can't afford to backslide to the dark days when monopolies ruled our communication landscape. As a small business who depends on broadband access, I say NO to price hikes that will increase the cost of internet and telephone services.
