**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support sonic and other small telephone and internet service providers. They offer competition to the large telephone companies and much better customer service. Without proper competition in broadband internet, prices will go up and a few companies will control the whole market thus slowing down innovation.

Please protect small internet providers!
