**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic but I am also an avid supporter of broadband completion. It allows the customer to get the best deal and also it does not allow customers to be taken advantage of by large companies.

This is very important to our family, because we (like many other Americans) dont like to overpay for services due to our budget concerns. As it is already tough enough to survive with the rising costs everywhere.
