**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep the competition between providers a fair practice. Behemoth companies such as AT&T can easily absorb costs more efficiently than smaller ones (Sonic Internet). Competition helps keep prices down, and advancements coming. Its healthy for the economy and a win-win for everyone (except Corporate greed). I am a current subscriber with Sonic and very happy with the services they provide. I was a prior subscriber with AT&T internet, and not happy with equipment breakdowns and long holds on the phone trying to get to someone to assist. Bigger isnt necessarily better!

Thank you!
