**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I don't know who you really work for these days. Apparently, not the smaller local companies. We need more competition in the broadband market, not less. Please do not overturn the regulated access to the traditional phone lines. I would rather give my business to the local providers than to the giant corporations. Monopoly Capital is the detriment to a just economy and the middle class.
