**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value the ability to work with local people and small businesses - my company has immediately and wonderfully dealt with my problems and they cost a fraction of a big guy who I left because my issues were constant and slowly resolved.

Broadband was the only option available to me besides a large provider and I was beyond happy with my company. Competition is important and removing options for people doesn't allow for people to make choices with their money.
