**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is key to both Republican and Democratic ideas of the free market. How does it help anyone to end competition? The government should be doing more to create competition, to ensure choices for people. Its good for people and for innovation. Do the right thing and back competition and choice here.
