**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We love sonic! Please keep healthy competition in the marketplace. This connection is critical for my job and at much better speed than any alternate provider. I simply cannot live without it as we are unable to support at & t or Comcast. We have had horrible experiences with these companies and refuse to continue being taken advantage of by them due to lack of competition. Awful disgusting unfair precedent to be set by supporting this idea.
