**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet is fundamental infrastructure. Restricting access to just the biggest telecoms is like privatizing the highway system. It will strangle the economy. Monopolies are un-American. Your job is regulation. You are supposed to prevent trusts conglomerates and the like from controlling US communication.
