**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who finds it important to be able to access the internet at a reasonable price. It is well known that when there is competition among service providers, the service and price improve. I like being hosted by a local provider who provides easy access to customer support and a competitive price for services.
