**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I don't like to deal with the monopoly companies because they don't take our problems personally. I previously was a customer to Timewarner and was very frustrated with them. The internet speed and the quality was never as they promised. This not only happened to me but also many of my friends. Now I have switched to a small competitive provider. The quality and speed is always taken cared of. I don't get spammed with promotions at all. When there's a problem, my provider always response quickly and kept me posted via emails. I don't ever want to deal with the monopolies anymore.

Please do not grant the USTelecom Forbearance Petition.

Regards,
