**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

YES to competition and small business providers that keep price hikes from big companies down and our choices competitive!! It's imperative for me as a small business owner working from home along with many others that are contracting or consultants. The BEST internet service I've had is through a small business and it's honestly been the most reliable when it comes to problems getting fixed when needed, talking to a real person, and all that confusing set up when first moving in.

Best,

Agnes Chan
