**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The small internet provider we used gave us stable internet at great rates. So much better than what San Bruno cable was offering in San Bruno, California. This was happening in the Bay area where we are supposed to have competition and actual choice in internet providers but we didn't. Thank you for considering this.
